

Cash Drawer 1618

Cash Drawer has stainless steel housing with bullet resistant plastic drawer. Unit mounts in counter top along front edge. Glazing (by others) should set above the flat hood portion of drawer. As drawer slides out the stainless steel front panel pivots upward. Movement is controlled by the full width handle across rear of drawer. Lexan lid stays closed when drawer is extended. This unit is designed for long life as there are no slides to wear out.
